

| Project Title   | Funding   | Strategic Plan Objective | Institution   |
|---|-----------|--------------------------|---|
| Autism in older adults: A pilot, descriptive study  | \$74,000  | Q6.S.A                   | University of North Carolina at Chapel Hill                                       |
| Autism spectrum disorder: Birth cohort 1976-2000, epidemiology and adult status   | \$560,556 | Q6.Other                 | Mayo Clinic   |
| Creating a more effective path to housing for people with ASD   | \$20,000  | Q6.Other                 | Westchester Institute for Human Development                                       |
| Development and refinement of diagnostic instruments for use with adults with ASD   | \$0       | Q6.S.C                   | University of Michigan  |
| Development of a transportation skills assessment tool for individuals with ASD to aid in finding safe and accessible community transportation services | \$18,221  | Q6.L.A                   | Rutgers, The State University of New Jersey                                       |
| Economic burden of current and future autism  | \$60,000  | Q6.L.D                   | University of California, Davis   |
| Estimating the economic costs of autism   | \$0       | Q6.L.D                   | London School of Economics  |
| Estimating the economic costs of autism   | \$0       | Q6.L.D                   | University of Pennsylvania  |
| Evaluating and enhancing driving ability among teens with autism spectrum disorder (ASD)  | \$0       | Q6.L.A                   | University of Iowa  |
| Evaluating and enhancing driving ability among teens with autism spectrum disorder (ASD)  | \$0       | Q6.L.A                   | University of Virginia  |
| Evaluating and enhancing driving skills of individuals with Asperger's and high-functioning autism  | \$0       | Q6.L.A                   | University of Virginia  |
| Examining vocational services for adults with autism  | \$59,345  | Q6.S.A                   | University of Calgary   |
| Health-related quality of life and its determinants in adults with ASD  | \$20,000  | Q6.S.A                   | University of Mississippi   |
| Increasing functional vocational skills in adolescents and adults with autism using behavioral economics  | \$10,000  | Q6.L.A                   | Rutgers, The State University of New Jersey                                       |
| Increasing independence and task completion in adolescents and adults with ASD using independent work systems   | \$3,025   | Q6.L.A                   | University of North Carolina at Chapel Hill                                       |
| Longitudinal studies of autism spectrum disorders: 2 to 23  | \$426,762 | Q6.L.B                   | Weill Cornell Medical College   |
| LSS postdoctoral fellowship: Autism, social science and law   | \$200,000 | Q6.Other                 | University of Utah  |
| PA Community on Transition: Achieving outcomes through a shared agenda  | \$0       | Q6.L.A                   | Pennsylvania Office of Vocational Rehabilitation - Department of Labor & Industry |
| Partnering with autistic adults to develop tools to improve primary healthcare  | \$300,938 | Q6.L.A                   | Oregon Health & Science University  |
| Predictive factors of participation in employment for high school leavers with autism   | \$24,622  | Q6.S.A                   | Columbia University   |
| Predictors of success in postsecondary STEM education and employment for students with autism   | \$217,996 | Q6.S.A                   | SRI International   |
| Preparation for transition and secondary teachers of students with low-incidence disabilities   | \$0       | Q6.S.D                   | Kent State University   |
| Quality of life during midlife in adults with ASD   | \$149,999 | Q6.S.A                   | Waisman Center  |
| Risk and resiliency for youth with autism during the transition to adulthood  | \$142,194 | Q6.S.A                   | Vanderbilt University Medical Center  |

| Project Title   | Funding   | Strategic Plan Objective | Institution                                   |
|---|-----------|--------------------------|---|
| SEDL's vocational rehabilitation service models for individuals with autism spectrum disorders  | \$350,000 | Q6.S.B                   | Southwest Educational Development Corporation |
| Service transitions among youth with autism spectrum disorders  | \$212,584 | Q6.L.B                   | Washington University in St. Louis            |
| Social and occupational outcomes for adults with ASD  | \$50,000  | Q6.Other                 | Mayo Clinic                                   |
| Social-pragmatic treatment for adults with autism spectrum disorder: The Interview Skills Curriculum  | \$0       | Q6.L.A                   | Florida State University                      |
| Studying the impact of service-learning on career development, self-determination, and social skill building for youth with autism spectrum disorders | \$300,000 | Q6.S.A                   | University of Massachusetts, Boston           |
| Survey of services needs of adults with ASD   | \$25,000  | Q6.S.A                   | Kennedy Krieger Institute                     |
| Training personnel to teach school-age children with autism   | \$0       | Q6.L.A                   | Auburn University                             |
| Transition to adult services for youth with autism spectrum disorder  | \$283,935 | Q6.L.A                   | Massachusetts General Hospital                |
| Vocational rehabilitation service models for individuals with autism spectrum disorders (VCU ASC Career Links)  | \$350,000 | Q6.S.B                   | Virginia Commonwealth University              |
| Why do people with autism spectrum disorders fare so differently in adult life?   | \$0       | Q6.S.A                   | King's College London                         |
